

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF NEW YORK

UNITED STATES OF AMERICA

v.

24-CR-6189

TONY ORLANDO CAMACHO a/k/a
ANTHONY CAMACHO,

Defendant.

PLEA AGREEMENT

The defendant, TONY ORLANDO CAMACHO a/k/a ANTHONY CAMACHO, and the United States Attorney for the Western District of New York (hereinafter "the government") hereby enter into a plea agreement with the terms and conditions as set out below.

I. THE PLEA AND POSSIBLE SENTENCE

1. The defendant agrees to waive indictment and to plead guilty to a one count Information which charges a violation of Title 18, United States Code, Section 2314 (Transportation of Goods in Stolen Commerce), for which the maximum possible sentence is a term of imprisonment of 10 years, a fine of \$250,000, a mandatory \$100 special assessment and a term of supervised release of 3 years. The defendant understands that the penalties set forth in this paragraph are the maximum penalties that can be imposed by the Court at sentencing.

2. The defendant understands that, if it is determined that the defendant has violated any of the terms or conditions of supervised release, the defendant may be required to serve in prison all or part of the term of supervised release, up to 2 years, without credit for time previously served on supervised release. As a consequence, in the event the defendant is sentenced to the maximum term of incarceration, a prison term imposed for a violation of supervised release may result in the defendant serving a sentence of imprisonment longer than the statutory maximum set forth in ¶ 1 of this agreement.

II. ELEMENTS AND FACTUAL BASIS

3. The defendant understands the nature of the offense set forth in ¶ 1 of this agreement and understands that if this case proceeded to trial, the government would be required to prove beyond a reasonable doubt the following elements of the crime:

- a. The goods, wares and merchandise were stolen, converted, or taken by fraud;
- b. The defendant transported, transmitted, or transferred (or caused to be transported or transmitted) property in interstate or foreign commerce;
- c. At the time of the transportation or transmission, the defendant knew the property was stolen, converted, or taken by fraud; and
- d. The value of the property was at least \$5,000.

FACTUAL BASIS

4. The defendant and the government agree to the following facts, which form the basis for the entry of the plea of guilty including relevant conduct:

- a. Beginning on or before January 1, 2021 through and including on or about July 25, 2022, the defendant TONY ORLANDO CAMACHO a/k/a ANTHONY CAMACHO knowingly purchased stolen goods and merchandise from persons that he knew were engaged in unlawful shoplifting (the individuals are commonly referred to as “boosters”) from Rochester area retail stores. Once the goods were stolen, the boosters would bring them to CAMACHO and sell the stolen, new in-box goods to CAMACHO for a fraction of the true retail value.
- b. CAMACHO knew that the goods he purchased from boosters were stolen, converted, or taken by fraud.
- c. After purchasing the stolen goods from the boosters, CAMACHO would thereafter list the stolen goods for sale on eBay using the account Ton.Camac. The goods were advertised as “New” or “New-In-Box” and priced below retail value, although the price was well in excess of the money CAMACHO had paid the boosters. Upon selling the items, the stolen merchandise was shipped to buyers, including those located outside the state of New York.
- d. CAMACHO admits and agrees that between January 1, 2021 and July 25, 2022, CAMACHO sold and shipped (or caused to be shipped) between \$249,246.33 and \$469,246.42 worth of stolen goods through the eBay account Ton.Camac.

III. SENTENCING GUIDELINES

5. The defendant understands that the Court must consider but is not bound by the Sentencing Guidelines (Sentencing Reform Act of 1984).

BASE OFFENSE LEVEL

6. The government and the defendant agree that Guidelines § 2B1.1(a)(2) applies to the offense of conviction and provides for a base offense level of 6.

SPECIFIC OFFENSE CHARACTERISTICS
U.S.S.G. CHAPTER 2 ADJUSTMENTS

7. The government and the defendant agree that the following specific offense characteristic does apply:

- a. The two-level increase pursuant to Guidelines § 2B1.1(b)(4) (offense involved receiving stolen property and the defendant was a person in the business of receiving stolen property).

8. The government contends that the following specific offense characteristic does also apply:

- a. The 12-level enhancement pursuant to Guidelines § 2B1.1(b)(1)(G) (the total loss was more than \$250,000, specifically, \$469,246.42).

The Defendant contends that the loss amount is \$249,246.33, which would carry a 10-level enhancement pursuant to Guidelines § 2B1.1(b)(1)(F), and specifically reserves the right to argue this lower figure at sentencing.

ADJUSTED OFFENSE LEVEL

9. Based on the foregoing, it is the understanding of the government and the defendant that, if Guidelines § 2B1.1(b)(1)(G) applies, the adjusted offense level for the offense of conviction is 20, and if Guidelines § 2B1.1(b)(1)(F) applies, the adjusted offense level for the offense of conviction is 18.

ACCEPTANCE OF RESPONSIBILITY

10. At sentencing, the government agrees not to oppose the recommendation that the Court apply the two (2) level decrease of Guidelines § 3E1.1(a) (acceptance of

responsibility) and further agrees to move the Court to apply the additional one (1) level decrease of Guidelines § 3E1.1(b), which, if Guidelines § 2B1.1(b)(1)(G) applies, would result in a total offense level of 17, and if Guidelines § 2B1.1(b)(1)(F) applies, would result in a total offense level of 15.

CRIMINAL HISTORY CATEGORY

11. It is the understanding of the government and the defendant that the defendant's criminal history category is I. The defendant understands that if the defendant is sentenced for, or convicted of, any other charges prior to sentencing in this action the defendant's criminal history category may increase. The defendant understands that the defendant has no right to withdraw the plea of guilty based on the Court's determination of the defendant's criminal history category.

ADJUSTMENT FOR ZERO-POINT OFFENDER

12. It is the understanding of the government and the defendant that the defendant meets the criteria set forth in Guidelines § 4C1.1(a)(1) – (10) (Adjustment for Certain Zero-Point Offenders), and as a result, a two-level downward adjustment applies. Accordingly, if Guidelines § 2B1.1(b)(1)(G) applies, the adjusted offense level is 15, and if Guidelines § 2B1.1(b)(1)(F) applies, the adjusted offense level is 13.

GUIDELINES' APPLICATION, CALCULATIONS, AND IMPACT

13. It is the understanding of the government and the defendant that, if Guidelines § 2B1.1(b)(1)(G) applies, with a total offense level of 15 and criminal history category of I, the defendant's sentencing range would be **a term of imprisonment of 18 to 24 months, a fine of**

\$7,500 to \$75,000, and a period of supervised release of 1 to 3 years. It is the understanding of the government and the defendant that, if Guidelines § 2B1.1(b)(1)(F) applies, with a total offense level of 13 and criminal history category of I, the defendant's sentencing range would be a term of imprisonment of 12 to 18 months, a fine of \$5,500 to \$55,000, and a period of supervised release of 1 to 3 years. Notwithstanding this, the defendant understands that at sentencing the defendant is subject to the maximum penalties set forth in ¶ 1 of this agreement.

14. The government and the defendant agree to the correctness of the respective calculations of the Sentencing Guidelines range set forth above if it is determined that either Guidelines § 2B1.1(b)(1)(G) or (F) applies. However, regardless of whether Guidelines § 2B1.1(b)(1)(G) or (F) applies, the government and the defendant reserve the right to recommend a sentence outside the Sentencing Guidelines range. This paragraph reserves the right to the government and the defendant to bring to the attention of the Court all information deemed relevant to a determination of the proper sentence in this action.

15. The defendant understands that the Court is not bound to accept any Sentencing Guidelines calculations set forth in this agreement and the defendant will not be entitled to withdraw the plea of guilty based on the sentence imposed by the Court.

16. In the event the Court contemplates any Guidelines adjustments, departures, or calculations different from those agreed to by the parties above, the parties reserve the right to answer any inquiries by the Court concerning the same.

IV. STATUTE OF LIMITATIONS

17. In the event the defendant's plea of guilty is withdrawn, or conviction vacated, either pre- or post-sentence, by way of appeal, motion, post-conviction proceeding, collateral attack or otherwise, the defendant agrees that any charges dismissed pursuant to this agreement shall be automatically reinstated upon motion of the government and further agrees not to assert the statute of limitations as a defense to any federal criminal offense which is not time barred as of the date of this agreement. This waiver shall be effective for a period of six months following the date upon which the withdrawal of the guilty plea or vacating of the conviction becomes final.

V. REMOVAL

18. The defendant represents that he is a citizen of the United States. However, if the defendant is not a citizen of the United States, the defendant understands that, if convicted, the defendant may be removed from the United States, denied citizenship, and denied admission to the United States in the future.

VI. GOVERNMENT RIGHTS AND OBLIGATIONS

19. The defendant understands that the government has reserved the right to:
- a. provide to the Probation Office and the Court all the information and evidence in its possession that the government deems relevant concerning the defendant's background, character and involvement in the offense charged, the circumstances surrounding the charge and the defendant's criminal history;
 - b. respond at sentencing to any statements made by the defendant or on the defendant's behalf that are inconsistent with the information and evidence available to the government;

- c. advocate for a specific sentence consistent with the terms of this agreement including the amount of restitution and/or a fine and the method of payment;
- d. modify its position with respect to any sentencing recommendation or sentencing factor under the Guidelines including criminal history category, in the event that subsequent to this agreement the government receives previously unknown information, including conduct and statements by the defendant subsequent to this agreement, regarding the recommendation or factor;
- e. oppose any application for a downward departure and/or sentence outside the Guidelines range made by the defendant.

20. At sentencing, the government will move to dismiss the Criminal Complaint pending against the defendant under Magistrate's No. 22-mj-685.

21. The defendant agrees that any financial records and information provided by the defendant to the Probation Office, before or after sentencing, may be disclosed to the United States Attorney's Office for use in the collection of any unpaid financial obligation.

VII. APPEAL RIGHTS

22. The defendant understands that Title 18, United States Code, Section 3742 affords a defendant a limited right to appeal the sentence imposed. The defendant, however, knowingly waives the right to appeal and collaterally attack any component of a sentence imposed by the Court which falls within or is less than the greater sentencing range for imprisonment, a fine, and supervised release set forth in Section III, ¶ 13, above, a term of imprisonment of 18 to 24 months, a fine of \$7,500 to \$75,000, and a period of supervised release of 1 to 3 years, notwithstanding the manner in which the Court determines the sentence. In the event of an appeal of the defendant's sentence by the government, the defendant reserves the right to argue the correctness of the defendant's sentence.

23. The defendant understands that by agreeing not to collaterally attack the sentence, the defendant is waiving the right to challenge the sentence in the event that in the future the defendant becomes aware of previously unknown facts or a change in the law which the defendant believes would justify a decrease in the defendant's sentence.

24. The government waives its right to appeal any component of a sentence imposed by the Court which falls within or is greater than the lesser sentencing range for imprisonment, a fine and supervised release set forth in Section III, ¶ 13, above, a term of imprisonment of 12 to 18 months, a fine of \$5,500 to \$55,000, and a period of supervised release of 1 to 3 years, notwithstanding the manner in which the Court determines the sentence. However, in the event of an appeal from the defendant's sentence by the defendant, the government reserves its right to argue the correctness of the defendant's sentence.

VIII. FORFEITURE PROVISIONS

25. As a condition of the plea, the defendant agrees not to contest any forfeiture or abandonment proceeding that has been brought by the United States and agrees to immediately criminally forfeit all of the defendant's right, title and interest to any and all properties which are subject to forfeiture pursuant to Title 18, United States Code, Section 981(a)(1)(C), and Title 28, United States Code, Section 2461(c), which is in the possession and control of the defendant or the defendant's nominees. That property includes:

MOTOR VEHICLE:

- a. one (1) 2021 Toyota Tundra bearing VIN #5TFDY5F15MX035928

26. The defendant also agrees that the property listed above is properly forfeitable to the United States pursuant to Title 18, United States Code, Section 981(a)(1)(C), and Title

28, United States Code, Section 2461(c). The defendant agrees that the above-described property is subject to forfeiture and waives any and all statutory and constitutional rights, including but not limited to time restrictions and notice provisions with respect to the final disposition or forfeiture of the above property. The defendant further agrees to the destruction of the above referenced property.

27. The defendant agrees that in the event this plea agreement is voided for any reason, the agreement for forfeiture, abandonment and disposition of the motor vehicle survives and shall be given full force and effect.

28. The defendant further agrees to fully assist the government in the forfeiture of the aforementioned property and to take whatever steps are necessary to pass clear title to the government, including, but not limited to surrender of title and execution of any documents necessary to transfer the defendant's interest in any of the above property to the government, as deemed necessary by the government.

29. After the acceptance of the defendant's guilty plea, and pursuant to Rule 32.2(b)(2) of the Federal Rules of Criminal Procedure, the Court will issue a Preliminary Order of Forfeiture for the property listed above. The defendant hereby waives any right to notice of such Preliminary Order of Forfeiture. The defendant further consents and agrees that the Preliminary Order of Forfeiture and a Final Order of Forfeiture shall issue and become final as to the defendant prior to sentencing and agrees that it shall be made part of the defendant's sentence and included in the judgment pursuant to Rule 32.2(b)(4) of the Federal Rules of Criminal Procedure. The defendant further agrees to waive any time restrictions or requirements as provided in Title 18, United States Code, Section 983, any notice provisions in Rules 32.2 and 43(a) regarding notice of the forfeiture in the charging

instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. The defendant knowingly and voluntarily waives his right to any required notice concerning the forfeiture of any of the property forfeited hereunder, including notice set forth in an indictment, information or administrative notice. The defendant acknowledges that the defendant understands that the forfeiture of property is part of the sentence that may be imposed in this case and waives any failure by the Court to advise the defendant of this, pursuant to Rule 11(b)(1)(J), at the time the guilty plea is accepted. Forfeiture of the defendant's property shall not be treated as satisfaction of any fine, restitution, cost of imprisonment, or any other penalty the Court may impose upon the defendant in addition to forfeiture.

30. The defendant knowingly, intelligently, and voluntarily waives his/her right to a jury trial on the forfeiture of the property. The defendant knowingly, intelligently, and voluntarily waives all constitutional, legal and equitable defenses to the forfeiture of the property in any proceeding, whether constitutional or statutory, including but not limited to, any defenses based on principles of double jeopardy, as to this criminal proceeding or any related civil or administrative proceeding, the Ex Post Facto clause of the Constitution, any applicable statute of limitations, venue, or any defense under the Eighth Amendment, including a claim of excessive fines.

31. The defendant further agrees that the forfeiture of the aforementioned property as authorized herein shall not be deemed an alteration of the defendant's sentence. Forfeiture of the defendant's property shall not be treated as satisfaction of any fine, restitution, cost of imprisonment, any income taxes or any other penalty that the Court may impose upon the defendant in addition to forfeiture and shall survive bankruptcy.

IX. ABANDONMENT PROVISIONS

32. The defendant agrees to voluntarily abandon the items listed in Exhibit A and B, attached herein, seized during the criminal investigation associated with this matter and waives any and all rights or interest which the defendant may still possess in said property or for which the defendant may have any claim. The defendant specifically agrees to voluntarily abandonment of the items listed in Exhibit A and B.

33. The defendant agrees to waive any time restrictions, requirement, or any other applicable federal law, with respect to the abandonment of this property. The defendant hereby knowingly and voluntarily waives any right, title and interest in the property and agrees not to contest the vesting of title in the government. The defendant further waives the provisions 19 Code of Federal Regulations Part 162 with respect to the abandonment of the items listed in Exhibit A and B and agrees to sign any and all documentation in order to assist the government in facilitating the abandonment of the said property.

34. The defendant further understands that the government and any law enforcement agency acting on behalf of the government, to wit: the Department of Homeland Security/United States Custom and Border Protection may in its discretion, destroy any of the items listed in Exhibit A and B.

35. The defendant agrees that in the event this plea agreement is voided for any reason, the agreement for forfeiture, abandonment and disposition of the motor vehicle and the items listed in Exhibit A and B survives and shall be given full force and effect. The failure of the defendant to forfeit any property as required under this agreement, including the failure

of the defendant to execute any document to accomplish the same on timely notice to do so, may constitute a breach of this agreement.

36. The defendant agrees that for any reason, in any pleadings before the Court and order issued by the Court, to include but not limited to the Preliminary and/or Final Order of Forfeiture and the Judgment and Commitment, if the government fails to properly identify an item to be forfeited, fails to include any item that is forfeitable under the applicable forfeiture statute in this case or includes a clerical error, the defendant will consent and not oppose any effort by the government to amend, correct or add to the description/list of items subject to forfeiture in this case. Additionally, to the extent necessary and at the discretion of the United States Attorney's Office, the defendant further agrees in the alternative, to the abandonment or civil forfeiture of any items that were excluded from the original description of items to be forfeited. Finally, if not specially identified or listed above, the defendant agrees to the abandonment of any and all cellular phones seized by law enforcement in this case.

X. TOTAL AGREEMENT AND AFFIRMATIONS

37. This plea agreement represents the total agreement between the defendant, TONY ORLANDO CAMACHO a/k/a ANTHONY CAMACHO, and the government. There are no promises made by anyone other than those contained in this agreement. This agreement supersedes any other prior agreements, written or oral, entered into between the government and the defendant.
